

FIRST YEAR OF STUDY

School year 2024/2025.

HISTORY OF MEDICINE

The course:

History of medicine

The course is evaluated with 3 ECTS. There are 3 hours of active teaching per week (2 hours of lectures, 1 hour of other forms of teaching-seminar).

TEACHERS AND ASSOCIATES:

No	Name and surname	Email adress	title
1.	Vladimir Janjić	vladadok@yahoo.com	Full Professor
2.	Dragana Ignjatovic Ristic	draganaristic4@gmail.com	Full Professor
3.	Snezana Radovanovic	jovanarad@yahoo.com	Associate Professor
4.	Milan Zaric	zaricmilan@gmail.com	Associate Professor
5.	Branimir Radmanovic	biokg2005@yahoo.com	Assistant Professor
6.	Milan Djordjic	mcpikac@gmail.com	Assistant
7.	Sladjana Veselinovic	sladjave@gmail.com	Teaching Associate
8.	Ermin Fetahovic	erminfetahovic96@gmail.com	Teaching Associate
9.	Viktor Selaković	selakovicviktor@gmail.com	Teaching Associate

COURSE AIM:

Acquiring knowledge about the historical development of medicine. Overview of the most significant discoveries in medicine. Getting to know different approaches to treatment in different eras. Understanding medical doctrine from prehistory to modern society. Acquiring knowledge about medical terms derived from Latin and ancient Greek. Acquiring knowledge about the most important people who contributed to the development of medicine over time. Getting to know the historical development of medicine in Serbia.

THE OUTCOME OF THE COURSE:

Upon completion of the History of Medicine course, the student is expected to acquire basic knowledge related to:

- the development of medicine from the empirical to the scientific stage
- the development of medicine and its specificities through time periods from prehistory to modern times
- modern achievements of medicine
- development of medicine in our region

ASSESSMENT:

SEMINAR PAPERS: In this way, the student can earn up to 20 points. Each student receives a topic for a seminar paper in each module that he teaches in written form. The preparation, content and form of the seminar paper are evaluated. A list of topics for seminar papers will be offered to students in the first term of the course.

EVALUATION OF THE CLINICAL SEMINAR: In this way, the student can gain up to 20 points. Preparedness, manner of presentation, inclusion of others in the discussion are evaluated. The list of topics for clinical seminars will be offered to students in the first term of the course (one seminar can be prepared by one or more students).

FINAL TEST: In this way, the student can gain up to 60 points.

The final grade is formed as follows:

In order to pass the course, the student must obtain a minimum of 51 points, namely:

1. obtains more than 50% of the points provided for the seminar work
2. obtain more than 50% of the points provided for the clinical seminar
3. pass the final test, i.e. have more than 50% correct answers.

the number of points earned	grade
0 – 50	5
51 – 60	6
61 – 70	7
71 – 80	8
81 – 90	9
91 – 100	10

FINAL TEST

EVALUATION OF THE FINAL TEST

The test has 30 questions

Each question is worth 2 points

LITERATURE:

the name of the textbook	Authors	Publisher	The library	The reading room
