Looking for a PhD position?

The Faculty of Biology and Medicine, University of Lausanne, Switzerland, offers:

PHD FELLOWSHIPS in Life sciences

starting May 2017

In the heart of Europe, Lausanne -the Olympic capital- is located between the Alps and the Lake Geneva. Our University offers an outstanding scientific environment in life sciences (biology, ecology, genomics, microbiology, biomedicine, public health...).

Exceptionally talented and motivated candidates who have or will have obtained Masters or equivalent degrees in an appropriate field before Autumn 2017 are invited to submit their application for a PhD fellowship before October 24, 2016.
