CANDIDATE RANKING

A candidate who, as a student of III or IV grade of high school, won one of the first three places in the national competition organized by the Ministry of Education, in the international competition in biology or chemistry, does not take the entrance exam in the appropriate subject. The entrance exam in that subject is evaluated with the maximum number of points.

This does not apply to awards won at the national review of scientific and artistic talent creation.

The ranking of candidates is done based on the sum of average grades of high school multiplied by two (maximum number of points is 40) and at the entrance exam (maximum number of points is 60).

The total maximum number of points that a candidate can achieve is 100.

A candidate from the final ranking list who has achieved a total of at least 30 points can enroll in the study program.

The preliminary unique ranking list of candidates will be published on the bulletin board and on the website of the Faculty.

The candidate may file a complaint to the Enrollment Commission on the regularity of the entrance exam or his / her place on the ranking list within 24 hours from the publication of the ranking list.

At the proposal of the Commission, the Dean decides on the complaint within 24 hours of receiving the complaint.

The final ranking list of candidates based on which the enrollment is performed will be published on the bulletin board and on the website of the Faculty and the University.

CANDIDATE ENROLLMENT

Enrollment of candidates in the first year of study in the study program of Integrated Academic Studies of **MEDICINE** - *Medicine integrated academic studies* will be done according to the schedule that will be published on the website of the Faculty of Medical Sciences.
