

BNAS 2019

3rd International Conference on Bioethics in the New Age of Science

CALL for PAPERS
10-11 October 2019

ORGANIZER AND LOCATION

Faculty of Medicine, University of Belgrade - Serbia

GENERAL CHAIR

Prof. Miroslav Radenkovic, MD, PhD, University of Belgrade

The International Conference on Bioethics in the New Age of Science offers participants a support for exploring ethical and legal problems in bioethics in the context of the new challenges generated by the scientific discoveries of the 21st century. The aim of the conference is to facilitate the multidisciplinary approach of bioethical issues by uniting specialists from bioethics and its connected fields through the four main subjects of the conference: bioethics and medical ethics; ethical aspects in biomedical technology and research; bioethical education; bioethical committees.
